

1745 – 1900

POSTER SESSION

Moderator: Jennifer Otoadese, Oxford University Centre for the Environment

<p>Increased Energy Consumption or Energy Savings – Only a Question of Indicator Choice?, Heidi Adensam, Austrian Energy Agency</p>	<p>Saving Final or Primary Energy? Lessons from a Flow Approach of the French Energy Balance. Implications on the Value of Energy Standards for Buildings., Ghislaine Destais, Laboratoire d’Economie de la Production et de l’Intégration Internationale (LEPII)</p>	<p>Can Tougher Building Regulations (or Codes) Deliver Energy Efficiency Improvements? A Step By Step Approach, Michelle McGuire, Databuild Ltd</p>
<p>Data Collection and Management for Bottom-Up Energy Efficiency Monitoring, Heidi Adensam, Austrian Energy Agency</p>	<p>Residential Sector Electricity End Use and Savings, Denis Dineen, Environmental Research Institute, University College Cork</p>	<p>How Was It for You? Using Surveys to Evaluate Behaviour Change Programmes, Charles Michaelis, Databuild Ltd</p>
<p>Credible Intervals – A Tool for the M&amp;V Tool Kit, Erin Buchanan, Iowa State University/Cedar Falls Utilities</p>	<p>Development of a Strategic Framework to Integrate Monitoring and Evaluation as Part of Organisational Performance Management System, Jennifer Hindson, Energy Saving Trust</p>	<p>The Transition to the 1W Limit: Results of the Standby and Off-Mode Measurement and Surveys in the EIE-SELINA Project, Andrea Roscetti, Politecnico di Milano</p>
<p>Evaluating the Use of Opinion Leaders to Diffuse Energy Information and Technology, Anita Davis, University of Colorado Denver</p>		<p>Energy Efficiency in Brazilian Refrigerators, Emerson Salvador, Eletrobras</p>
<p>Quantifying Energy Efficiency in Transport using ODEX, Emer Dennehy, Environmental Research Institute, University College Cork</p>		<p>Voluntary Energy Savings in Industry: The Canadian Industry Program for Energy Conservation (CIPEC), K H Tiedemann, BC Hydro</p> <p>Designing Communication that Changes Behaviour, Caroline Wilson, Institute of Energy and Sustainable Development</p>
