

THE 250-PAGE EVALUATION REPORT: VITAL INFORMATION OR SLEEP AID? OUR READERS SPEAK OUT

Moderator: Jeremy Kraft, EMI Consulting

PANELISTS:

Les Stachow, New Hampshire Public Utilities Commission
Marissa Gillett, Maryland Public Service Commission
Mohit Chhabra, Natural Resources Defense Council
Robert Kasman, Pacific Gas and Electric Company

SESSION SUMMARY:

How can evaluations be made more responsive to those they are intended to serve? This panel will feature an interactive conversation between the audience at IEPEC (evaluators) and the audience that evaluation targets (regulators, advocates, program administrators, and policy makers). We will highlight current miscommunications, good practices, and opportunities to improve evaluation reports for our readers.
