

The papers, panels, and poster summaries included in these Proceedings for the 2017 International Conference on Energy Program Evaluation were selected by members of the Conference Planning Committee through a blind peer review of abstracts submitted in December 2016. Paper session coordinators/moderators worked with authors, offering suggestions for content and presentations. The Proceedings was compiled and printed by OmniPress, Madison, Wisconsin with the assistance of the Christensen Associates Energy Consulting staff in the role of the conference coordinators.

Information, opinions, and analyses presented in these Proceedings are those of the authors and do not necessarily represent the institutions or agencies with which they are associated nor the agencies that have sponsored or funded the work described.

Copies of the past proceedings may be purchased online at www.IEPEC.org for \$100 or by contacting Cara Lee Mahany Braithwait, Conference Coordinator, IEPEC, 800 University Bay Drive, Suite 400, Madison, WI 53705 (608-231-2552); FAX 608-231-1365, or e-mail samb@caenergy.com.
